**AUDITIONS FOR DOWNTOWN**

TONI

Oooohhhh Schnapp, there's an open call audition for Downtown?  
You know I'm there.

DAYSIA

(Singing Loud and obtrusive) Downtown, things'll be great when you're  
Downtown, no finer place for sure, Downtown everything's waiting for...

PEENCHY

(Singing louder, interrupting Daysia) Down clown, that would be great  
if you sit down clown, no finer place you should sit down clown.

MS. SAVAGE

Peter! How dare you insult Daysia that way. That was rude and  
insensitive. I have a right mind to thrash you. Or at the very least,  
pencil whip you for 25 percent of your daily grade....You apologize to  
her immediately!

DAYSIA

Yeah! You apologize to me, immediately! You oversaturated dingle-berry!

PAUSE...

(LAUGHTER THROUGHOUT THE ROOM)

MS. SAVAGE

Okay, that was disgusting, but it was a pretty good come back. (turning  
to face the class) By the way you all, the casting director for  
Downtown is a very good friend of mine. He's willing to make special  
considerations for the class as far as auditioning times, but you still  
have to nail this thing with your acting ability.

TONI

So, Ms. Savage, Downtown has no need for something such as a hispanic role, does it?

MS. SAVAGE

Toni, why would you ask such a thing?....Are we afraid of a little competition?

TONI

Pssst, Please, whose my competition? Daysia?

DAYSIA

Yeah, whose her competition?...Hold up? Are you attempting to say that I lack the necessary pedigree to provide you a theatrical run for your money? Dare you say that I don't challenge you?

PEENCHY

No, what she's really saying is that your not Menda, so your no threat.

MS. SAVAGE

Is that sooooo? And all this time I thought that you were the one to beat. Maybe we should see if Menda will be all better by then.

PEENCHY

Oh she will, trust me, I'll see to that. I mean, Toni, your my girl and all, but there's nothing like seeing a good cat fight, Meow, for a part that neither one of you is gonna get. I mean, I'm on your side, but Menda?

DAYSIA

Shut up Peenchy! Your an instigator.

TONI

Hey Peenchy, Got milk?
